

Where We Serve

Bible League International desires to see thriving local churches around the world offering salvation, life change, and hope through biblically based training and resources that meet the spiritual, moral, and social needs of their communities.

Make a Difference

Marta, her family's firstborn, lives in Mozambique. When her brother died of natural causes, her parents believed they had to appease evil spirits. "I was officially declared a witch doctor," she says.

However, another brother began to follow Jesus and became a Bible League-trained church planter. "He encouraged me to participate in *Project Philip* Bible studies," she reveals. "I was moved by the story about the man Jesus freed from evil spirits. I accepted Him as my Savior, and I burned all my witch doctor's garments."

Marta's voice cracks when she talks about her love for Jesus. "I will no longer serve other gods, but only the God who is the Creator of heaven and earth. And I will tell others about what He has done for me."

Global Transformation

Despite the increase in religious extremism, persecution, and restrictions to the Gospel around the world, people in about 50 countries are discovering new life in Jesus Christ. There is a worldwide hunger for God's message of love. Using the Bibles and training you help to provide, under-resourced churches will help people to understand and apply God's Word to their lives through *Project Philip* Bible studies, Church Planter Training, and Bible-based Literacy.

From the barrios of Latin America, to the crowded cities of Africa, to the remote farming communities of Asia, to the slums of Cairo... men, women, and children will hear the hope of the Gospel—many for the first time.

At-risk youth from Chicago to the Philippines will study God's Word and find a peace they've never known. Women will learn to read and write using God's Word through Bible-based Literacy. Through Church Planter Training, newly established churches will serve as beacons of hope. Even prisoners in the U.S. will be among those to plant new churches—behind bars and in the communities they will return to when they are released.

What You Can Do

Your gift today will ensure the Word of God will continue to be a source of hope and an opportunity for so many to feel the love of Christ. You will help equip believers to share the Good News with their own families and the people in their communities. Your gift will empower believers to grow God's Church around the world, reaching some of the most closed and restricted areas with the Gospel.

With your help, under-resourced churches will now have the Bibles they need to train the next generation of church leaders. Thousands of people will hear the Good News, strengthen their faith, and reach others with the hope of God's Word.

Your gift and prayers will help transform the lives of many through the Good News. People living in some of the most impoverished communities around the world will experience new life in Christ despite overwhelming obstacles like poverty and persecution. As you provide Bibles and training, you will help families and communities discover the power of God's Word and keep their faith strong and growing.

Thank you for being part of **A Global Reach for the Kingdom** and sharing the gift of God's Word with people around the world.
