

Help Transform Lives *Worldwide*

Make a Gift Today. Transform a Life Forever.

Despite the rise in religious extremism, persecution, and restrictions to the Gospel, there is a worldwide hunger for the message of God's love. Using the Bibles and training you help to provide, under-resourced churches in about 50 countries will help people to discover new life in Jesus Christ through *Project Philip* Bible studies, Church Planter Training, and Bible-based Literacy.

From the barrios of Latin America, to the crowded cities of Africa, to the remote farming communities of Asia, to the slums of Cairo... men, women, and children will hear the hope of the Gospel—many for the first time. At-risk youth from Chicago to the Philippines will study God's Word and find a peace they've never known. Women and children will learn to read and write using God's Word. New churches will be established in places without one and serve as beacons of hope in their communities.

Your gift today will make an eternal difference in lives around the world. Thank you.
